FINAL STATEMENT

OR

Privat Saban Hailip Decatur

Co H 24 Reg't of Ohio Vol Inf

VOLUNTEERS.

Disd April 19, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, horse, equipments, and other miscellaneous charges, should be entered under heading of "Other Stoppages."

NOTE 5.—Bounty paid by State and militia, and got by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwars must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

War Department,

Adjutant General's Office,

Sir:

In reply to your letter requesting a Descriptive List of Eugene Wall Private in Company "E", 24th Regiment of Mo. Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Eugene Wall, a Private in Company "E", 24th Regiment of Mo. Volunteers, is _____ years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 18th day of Nov., 1861, at the town of Macon City in the State of Mo. by Capt. Rice, and mustered into the service of the United States on the 15th day of Oct., 1861, at the town of Macon City in the State of Mo. by Capt. Smith, to serve for the period of three years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of July & August, 1864 that he was last paid by Paymaster Asaf Steward to the 28th day of Feb., 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the above Muster Roll he is reported a Private Present for duty. His name is dropped from subsequent rolls without remark.

Very respectfully,

Your obedient servant,

Samuel D. Beck

Assistant Adjutant General.

(7)

To E. B. Alexander Col. U. S. A.
C. A. P. M. Genl.
St. Louis Mo.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of the muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the statements from the fact that this list is incomplete or "partial."

FINAL STATEMENT

OF

Sergeant John P. Hall
24th Reg't of Ind. Inf.

VOLUNTEERS.

Ended Jan 15, 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. Commanding Company.

I CERTIFY, that I have carefully examined the said *Robert E. Hall* of
 Captain *Young's* Company, and find him incapable of performing the duties of a soldier
 because of (Here consult par. 1281, p. 304; also, par. 1038, p. 405, and directions on Form 13, p. 325, Revised Army Regulations) *disability from*
pterygium of both eyes of nearly two years standing and, rapidly increasing.
The carcinoma is on the nasal side of both eyes and extends into the cornea.
The age of the man, who is 54 years old, aggravates the prognosis in this
case. He is unfit for any kind of military service.

FINAL STATEMENT

"D"
OF

James M. Hays
24th Reg't of Mo Infantry

VOLUNTEERS.

Died April 9, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for such pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, equipments, and other miscellaneous charges, should appear under heading of "Other Stoppages."

NOTE 5.—Bounty paid by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the United States must be entered on the muster roll on which the discharge, death, &c., is reported, as well upon the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or of detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

MEDICAL CERTIFICATE.

St. Wyatt Harris
 of the *Twenty Fourth* Regiment of *Mo Vol*

having applied for a Certificate on which to ground an application for leave of absence,

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that *he is now*
suffering from Anemia and great debility
the sequen^{ce} of protracted intermittent fever, followed
by Jaundice and hepatic derangement.

and that in consequence thereof, he is, in my opinion, unfit for duty. I further declare my belief that he will
 not be able to resume his duties in a less period than *Twenty days.* and in
 my opinion should leave the army and have a
 change of climate, in order to prevent permanent disability.

Gen. Smith,
Columbus, Ohio. Much estee-
med and respected Sir,
I am in rather delicate
health at present at Union
City to see my son, a
soldier in the Union
Army - I choose the
medium of communicating
with you on the subject
of having my son James H.
Ward discharged from
the Army on the ground
of his age being only (17)
seventeen years and four
days old a weakly boy
not able to do the duties
of a good soldier

My son was over per- you soon — please direct
suaded to enlist was your communicating for
not examined by the surgeon to Rev. W. H. McGowan
at and now wishes to be discharged and come
be discharged and come home and ~~stay~~ stay ~~with~~
with me. I ask and plead therefore on these
as I think good and legal
ground for the discharge
of my son James — if this
my testimony respecting
his age is not wholly sat-
isfactorily I suppose I
could present other evidence
I hope however this will
prove sufficient soon
receive a discharge from
you — My son belongs
to 24th Missouri Co. K.
I hope you will answer
this and let me hear from

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h, i, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment book to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

Sergt. Monroe Hewle Co. "B"

24th Reg't of Ind. Inf't

VOLUNTEERS.

Died April 9 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under heading of "Other Snappings."

NOTE 5.—Bounty paid by States, Territories, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his dependents must be entered on the muster roll on which the discharge is reported, &c., is reported, as well as on the final statement, otherwise the same cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Your Communication concern-
ing Dr. Hoggins - 24 - Mo. Vols just recd
I do not believe that Dr. Hoggins is
disloyal. He is petulant, irritable and
his prominent characteristic is - in - that
he talks too much when excited. I
believe he did use the language - that
Col. Coleman was waging a legitimate
warfare - this in the presence of divers
persons - perhaps there are many mitigating
circumstances which he can show to remove
guilt. I have had but little confidence
in the charge being criminal. He is

Loyal. I have no reason to doubt.

A young man of more than ordinary education and as before remarked, a disposition to content too much -

He has been of invaluable service in his endeavors to discipline his Co. ——— He tendered me his resignation which I refused to accept for the reason that I knew he was such in doing so. - It might have been exercising tyranny too much in not forwarding it for him - I did not then know of the feeling of discontent in his Co. I have not had officers enough here to ask for a Court Martial until lately when the Genl notified me to apply for a Commission for this Post and about that time Col. Merrill informed me to apply to him which I did, and asked that Captains Reid & Lyon of 24. Mo. vols may be ordered on 1st Commission

I am most respectfully &c

General

With all due respect and mindful of the position which you hold in the Armies of the United States, I respectfully approach you with the following communication.

Acting on authority for this proceeding from the Armed Army Regulations, vizt: An Officer feeling himself aggrieved can appeal to the Comd^g Officer.

I hold the Commission of 2nd Lt. (Inf. Co. 24th Reg. Inf., signed by Governor Gamble, dated April 2nd 1862.

On joining the Company which I did shortly after the above date, I perceived a total want of discipline, the men were unacquainted with the Manual of arms. I found from Enquiry amongst the men that the Captain and 1st Lieut. had never drilled the men.

Both the Captain and 1st Lieut. left on detached Service about the middle of

April. I was left Commanding Officer of the Company
at the Monthly Muster April 30th.

I found from the written Statement of
the 1st Sergeant - some 20 men who had been absent some
3 months, some less than two months, and had left without
any other authority, than the written permission of the Captain
to be absent a few days.

Some of these absentees were Sergeants
and Corporals; ~~where~~ ^{where} with the authority of Col. Ford
I reduced to the ranks appointing others who were present,
to those positions.

Captain Attardale returned shortly
after Muster, and on my presenting the Non Commissioned
Warrants which I obtained for the whole Company, in
the Captains' signature, he refused, notwithstanding
the promotions & confirmations of Non Commissioned Officers
Appointments Cap & 24th Mo. Vol. were read on
Regimental Parade by the Regimental Adjutant.

I had to deliver the warrants of
all the Non-Commissioned Officers of the Company
with the Signature of the Colonel and Adjutant.
The Captain refusing his Signature.

I have since drilled the men up to
the time of my arrest, which occurred on the 26th,
a copy of the Charges I inclose. I will here state
Col: Boyd has informed me that he is awaiting
your action in this matter.

The Company was ordered to march
to Hayesville the 18th inst which we did, the
Captain and 1st Lieut riding and leaving the
Command, I caught up with the above Officers at a
house near Big Piney river, this about 11 p.m.
after marching that morning from Holla. I was
ordered to march all night, I remonstrated that
the Command was already dreadfully scattered, some
of them being 14 miles in the rear & not
permitted to lie and sleep for a few hours. I
accordingly marched the Command to the bank
of the Big Piney river and bivouacked. The
other 2 Co Officers remaining at the aforesaid house.

On returning the 20th inst - the train
which the Company escorted encamped 3 miles
to north side of Big Piney river, on the
ground where the burning occurred of 11 wagons.

were yet smouldering. The Captain & 1st Lieut both left the Command, the former riding off with 2 ladies, and was met by Col. Boyd 2 miles from Camp on the road to Kolla. The 1st Lieut being found by the Colonel at a house one mile from Camp. Neither of these Officers were arrested. I herewith enclose a communication from J. M. Chase regarding my Command of the train, in the absence of my Superior Officers.

On the return of the Company to Kolla Col. Boyd handed me a paper which I enclose, calling on me to resign, the paper is addressed by ~~Col. Boyd to me~~ to me.

I then state the 1st Lieut did not sign his name and the other did not sign their names; the names were written by Serg. Johnson, whether by their consent or not I know not.

I then sent in my resignation to Col. Boyd unaccompanied, I believe he has not forwarded it, he said to me he should not. I then had the 1st Lieut Perry before the Colonel and called on him for his action in the premises in regard to his signature for my resignation, his reply was, he had nothing against me, but he had heard there was dissatisfaction.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1280 Regulations, Ed. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

"11"
OF

Edward J. Gunn

24th Reg't of Missouri Inf't

VOLUNTEERS.

Died Jan 28 1864

NOTE 1.—Two of these certificates (or duplicates) must be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the actual delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment so issued on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be submitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Antler and Laundry must be entered on the master roll on which the discharge, death, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
